Bank of Baroda managing director PS Jayakumar said that the bank's board will meet shortly to discuss the amalgamation.

"The whole process may take up to six months but we can try and speed things up," he said.

Jaitley also said that no employee will face service terms that are in any way adverse in nature to the prevailing rules.

"On the contrary, the State Bank of India (SBI) experience has been that amongst the merging entity and new entity, the best of service conditions continue to apply to all of them," he said. "So, the employee of relatively smaller banks will get an opportunity to improve its working condition."

**Staff Protest Against Dues**

**▶▶ From Page 1**

Alchemist ARC is sponsored by Alok Dhir, managing partner of law firm Dhir & Dhir Associates. The ARC has former State Bank of India chairman Pratip Chaudhuri as its chairman.

RPIF hit the Indian headline last year after it proposed to invest \$1.67 billion in the Sahara group's Aamby Valley project.

Mails to Alchemist and RPIF did not generate a response as of press time.

Interest from potential bidders comes as employees of EPC Constructors protested at the previous meeting of the committee of creditors over unpaid salaries and dues. Some senior management executives resigned after what they claimed was the high-handed behaviour of the resolution professional. Lenders including ICICI Bank, Axis Bank, Yes Bank, Dena Bank and Central Bank of India are said to have asked for a detailed plan to settle the issue.
